### Payment

An E-invoice will be sent to your email via the Square system where you can confirm details of your order before entering your credit card information directly and securely.

### Greetings!

You are receiving this email as a result of a chocolate purchase made in the last year at [chocolatesommelier.com](http://chocolatesommelier.com) or more likely, our little haven on Brady Street.

Your support of not only my small business, but the small business products that are carried in the shop, means the world to each of us.

I'll simply close with a heartfelt **thank you**.
